How do we get to Ouachita Hills Academy?

Old GPS Address: 133 Harley Rd., Amity AR 71921.

Please Note – No Dirt Roads: If you come in from the west or south some GPS units try to take you back roads which are impassable except by serious 4x4 vehicle and will take much longer. You should never go on a dirt road to get to the school. First go by highway to the town square of Amity and then follow these directions to the school.

By Car From I-30: Exit I-30 at Arkadelphia (second exit, #73) and make a right on Highway 8 West. Immediately the Highway "Y"s, stay to the Right on Highway 8 West. In 26 miles you will enter Amity. One block west of the town square, turn left on Mountain Road by Carlee's Corner (an out of business gas station).

By Car From I-40 at Fort Smith: Exit onto Hwy 71 South to Y City. Then take Hwy 270 East to Mt Ida. From Mt Ida, take Hwy 27 South to Norman. When you reach Norman, take Hwy 8 East. Hwy 8 East takes you into Amity. In Amity, turn right on Mountain Road immediately prior to Carlee's Corner (an out of business gas station).

By Car From Mountain Road in Amity: Proceed through an old lumber mill and now "Amity Trade Days". About 1.5 miles past the lumber mill, the road will "Y". Stay to the Right. You will cross a small bridge and then an old rail road bed. In about 2 miles the road "Y"s again. Again stay to the right on Harley Rd. This will take you directly into Ouachita Hills. After passing the Ouachita Hills sign you will proceed down a hill into the campus.
